

# MEET THE RESIDENTS

Lakeland Regional **Health**<sup>®</sup>

# Patrick Condon

Alma Mater: University of Rhode Island

PGY2 Critical Care Resident

## Fun facts about Patrick:

- If he could choose a superpower, it would be teleportation
- Patrick's favorite go-to karaoke song is "I'll make a man out of you" - Mulan
- Patrick has traveled to 25 states in the USA, plus DC

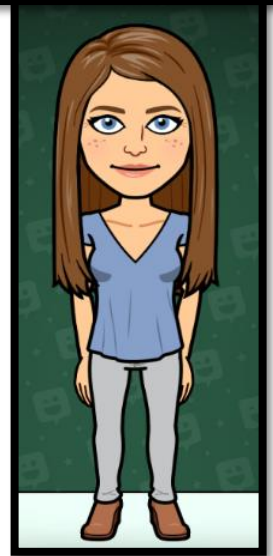

# Megan Heath

Alma Mater: Belmont University

PGY2 Emergency Medicine Resident

## Fun facts about Megan:

- If she was an animal she would be a cat, but is torn between a pampered housecat and a jaguar
- Megan plays Pokemon GO daily!
- Her favorite place traveled is Cambodia

# Tory Herrmann

Alma Mater: University of South Florida  
PGY1 Pharmacy Resident, Ambulatory Care

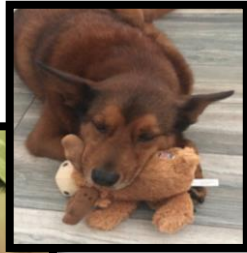

## Fun facts about Tory:

- If she were stranded on an island she would bring clothes, “I’ve seen the show Naked and Afraid and I’m not interested in that scenario”
- Tory has every Taylor Swift song memorized and is not ashamed!
- Something she recommends everyone try at least once: mashed carrots in mac-n-cheese

# Chelsey Axelrod

Alma Mater: Nova Southeastern University  
PGY1 Pharmacy Resident, Acute Care

## Fun Facts about Chelsey:

- Barcelona, Spain is her favorite place traveled, "I absolutely love the architecture of the city."
- Her and her family were kicked off a plane once!
- If she were an animal, she would be a dog, "I would be perfectly content having my dog's life: lots of snugs, food, and naps."

# Emerald O'Rourke

Alma Mater: University of Rhode Island  
PGY1 Pharmacy Resident, Acute Care

## Fun facts about Emerald:

- If she were a drug, she would be albuterol because “I’m always there to help when you need to stop & take a breather”
- Emerald’s favorite place traveled is Lisbon, Portugal
- If Emerald had a warning label it would read: DO NOT LEAVE UNATTENDED IN HOME GOODS
