

Welcome

to Your Patient-Centered Medical Home

Lakeland Regional **Health**[®]

Dear Patient:

Thank you for choosing Lakeland Regional Health as your preferred healthcare provider.

At LRH we place people at the heart of all we do as we deliver the best outcomes and safest care. We respect the unique needs of our patients and continually provide consistent, quality medical care to those we serve. That is why we are pleased to be recognized by the National Committee for Quality Assurance (NCQA) Patient-Centered Medical Home (PCMH) program. NCQA is a private, nonprofit organization dedicated to improving health care quality.

A Patient-Centered Medical Home is not a building, a house or a hospital. It is high-quality, patient-centered primary care designed to seamlessly and conveniently coordinate your healthcare.

All members of your care team will involve you in decisions about your health to help foster a strong, long-lasting connection with you. We are committed to treasure, nurture and inspire you to make positive, long-term healthcare and wellness choices.

The attached shared commitment statement formalizes our mutual agreement to work together. If you have any questions, please call our office at 863.284.5000. We look forward to walking with you on the path to a healthier you!

Sincerely,

Sarah Bhagat, CLSSBB, Senior Vice President and Chief Operating Officer
LRH Physician Group, Ambulatory Operations and Organizational Effectiveness

Francisco J. Chebly, MD, Executive Medical Director, Lakeland Regional Health Physician Group
Associate Chief Medical Officer, Lakeland Regional Health
