

Dear Friend:

At Lakeland Regional Health people are at the heart of all we do. Our team works to create positive and warm experiences to help ease the uncertainty our patients may feel during their stay. Part of offering comforting care is having items available that can help children and families cope with and adjust to being in the hospital.

Your gift or donation can help to provide relief and distraction for the children. The attached list will help guide you in your selection of items that can benefit our patients.

If you would like to provide a gift or donation, please call the number below to make arrangements to drop off donations. Upon request, our hospital is happy to provide a receipt for your donation for tax purposes.

Please email our Children's Services team at childlifefund@myLRH.org or call 863.687.1100, ext. 1692, or ext. 2424 with any questions.

We thank you for your interest in improving the experience of our pediatric patients.

Sincerely,

Jodi Ridley

Director of Development,
Lakeland Regional Health Foundation
