

Accepted Health Plans

Lakeland Regional Health Physicians Group

Lakeland Regional Health (LRH) physicians contract with the following health plans. Please note the physician group may not be included in all of the products (i.e. HMO, PPO, Behavioral Health) offered by each plan. While the LRH physician group may be participating in a health plan listed; individual practitioners (i.e. Primary Care,

Behavioral Health) may not be included in the health plan network. LRH accepts many types of insurance but may not participate in certain insurance plans offered through the Insurance Marketplace on Healthcare.gov.

Other healthcare practitioners who provide services in the hospital may or may not participate with the same health plans as the hospital and may not participate with all of the products (ie. HMO, PPO, Behavioral Health) offered by that plan.

Patients should contact the healthcare practitioner who will provide services in the hospital to determine which health plans the practitioner participates in as a network provider, obtain an estimate, or learn about their billing practices.

To obtain information about costs related to our services, please visit <https://mylrh.org/admissions-information/> to view our Admissions booklet.

Always check with your health plan to confirm practitioner participation. Click the health plan name below to visit the plan website.
