

Lakeland Regional Health® | **DISCOVER** PROGRAM

Teen Learning Program

Are you interested in exploring careers in the growing healthcare industry? Do you need community service hours?

If so, come **volunteer at Lakeland Regional Health!**

Program Benefits:

- Daily \$12 meal credit at our cafeteria
- Opportunity to learn more about the healthcare industry
- Meet 200+ other students from local high schools during the summer program
- Experience the work settings of several job positions
- Meet and interact with many healthcare professionals
- Discover available paid positions for high school students
- Learn about our 30+ fully funded Career Advancement Programs for employees
- Prepare to join Lakeland Regional Health after graduation

Requirements:

- Application
- Notarized parental consent
- Immunization record & negative TB test (plus TB questionnaire)
- Letter of recommendation
